

Studio 5

Small Studio / First Floor /  1 - 6 *

*Capacity dependent on equipment and instruments in use. Numbers reflect standard band setup - guitar, drums, bass etc.

Studio Specs

Studio 5 is located on the 1st floor and is suitable for standard size band rehearsals. It has a raised stage typically used by the drummer and a fixed position projection wall. It is one of the most isolated rooms in the building and can work well for writing and demo recording** sessions in addition to rehearsals.

**Please note that noise bleed is still possible. Feel free to check beforehand with a member of staff if you have any concerns.

CONSOLE: Mackie CFX12 MKII

PA: 2 x Mackie SRM450

OTHER: Sofa, Air Conditioned, raised stage, projection wall, no windows, hung PA system
